

If it is turn down, then I will find your constitution as null and void ABSGUE (i.e. null prendra advantage de son des autres) , declare the Executive Committee as illegal, remove all members, declare the Constitution of the Department of NC as Post 10 constitution and declare the elective officers of the Post that are required under NC Constitution as the officers and the members of the Executive Committee of Post 10. That simple!

I am tried and if your Post does not approve the correct Constitution that meets the requirements of the Department, then I will declare your post actions as VOID and also declare that the Post members have Nullus Jus Alienum Forisfacere Potest as to the rights of the executives and elected Commander and officers of the Post.

You may show them this email since your Post is violating the NC Constitution and the DEC has the right to suspend the charter of the Post.

I do not have Jim Fords email address, please share with him.

Your Post Constitution must be in compliance. That simple.

Subject: Post 10 Constitution

Gaither:

At the post meeting on Thursday evening, the proposed changes to the post constitution were presented.

Much discussion. Our resident attorney, Jim Ford stated that you had been ask to prove that the extra Executive committee and Trustees were in conflict with the State and national constitution and could not.

This will be voted on at our April Meeting (2 April 2009 at 7 PM)
My question is. If this is turned down by the floor how will you rule?

I am not that concerned with the Commander being the chair of the ex committee, my concern is the 9 "officers" elected with nothing to do but fight for "bar" rights.

Post 10 Commander
