## Commander's Corner

Well, we are getting the New Year underway. As you read this bulletin we will have completed our youth appreciation night. It is my hope that this will be the first of many Thursday evenings with a dinner and speaker. This will depend on all of you legionaries. If attendance and participation does not increase there will be no reason to continue them.

We have four of our post 10 officers scheduled to attend the Legion College the 21<sup>st</sup> and 22<sup>nd</sup>. of July.

I would like to remind you that our fund raisers are how we pay our monthly bills and the mortgage. There are many things we can do but we are limited due to the participation of the membership. The monthly fish fry is doing well averaging 600 and Bingo is also doing well but both could always be considerably better. I encourage you to come out for an evening of Bingo and fun each Tuesday at 7:00 PM.

We have a great opportunity to join the Bruce Cavanaugh Charity Raffle. As you know this is for a new car. This year Bruce will give away (4) four brand new 2007 Suzuki's. We will have these tickets available at the Post. The cost is \$20.00 per ticket and Post 10 will receive the entire \$20.00 for each ticket sold. We hope to have the tickets at the August, September and October Fish Fry. The tickets will also be available at the canteen, or if you contact me I will see you get as many tickets as you want.

Again this is an excellent opportunity for the Post to make money. Please help by buying your tickets from Post 10.

Remember, our monthly meeting is on the first Thursday of the month at 7:00 PM .

We need committee members for our many programs. We need someone now to begin working with the county High Schools on our Oratorical Contest and our Boys State program. Contact me at 791-6184 or see me at our meeting or any Tuesday evening at Bingo.

For God and Country

## Editors Message

I would like to once again remind you of our web site address so you can make note of it in your favorite addresses so you can retrieve the bulletin, [www.nclegion.org/post10.htm](http://www.nclegion.org/post10.htm). However, those of you who do not have access to the internet can still receive the bulletin by mail. Please notify me with your name and address if you chose to receive a hard copy of the bulletin

There is a white box in the canteen marked bulletin. You can leave your articles or any correspondence for me in this box. I will be picking them up periodically. Articles must be presented to me no later than the 18<sup>th</sup> of the month and 6:00 PM in order to be published in the following month's bulletin. I would greatly appreciate committee chairmen leave the date and time of their upcoming meeting in this box so I can put it on the following months calendar.

As soon as we have completed setting up the committees I will list the members of each committee and officers in Septembers bulletin.

Post 10 would like to take this opportunity to thank Bill Coddington for his years of service as canteen chairman. Bill decided to step down from this position, but will stay in as a member of the Executive Committee. Thanks Bill.

The canteen will now be under the direction of the Post Canteen Committee. Those members who volunteered their time for this endeavor are: Doug Lewis, Larry Smith, Larry Teachey and Charlie Willis. Your support of this team is anticipated. Events will be falling into place and will be posted in the Canteen, on the Web and in the Bulletin. Don't forget to thank these members for the support of the Post, and give a lot of thought to "HOW CAN I HELP MY POST". Many committees need members and Post positions are open. See Milton Woodle, Commander.

## FIRST VICE COMMANDER

The New Year is here, New Officers, and new ideas. We would like to make the post more conducive to the legionaries and their families. We have any number of plans but we need help in bringing the legionaries and their families back to the post.

Some of the ideas we have would be bus trip for a dinner and a show to Myrtle, trips to Outlets for the women, a Christmas trip in conjunction with the season, and for those who enjoy a little gambling and Vegas Shows Biloxi will be opening soon and an outing can be planned. We would also like to attempt to reinstitute the bowling team, possible intramural softball with in the post, bocci ball for those interested and much, much more.

For those on the quiet side we can put together dart tournaments, shuffle board, chess, checkers, etc.

or passed on so I can offer the respect due them on behalf of Post 10. I can be reached at my home number 910-796-3462 or via e-mail at

Needless to say all of this needs volunteers to help put the programs together as well as rejuvenating the life in our post members to come to the post and get involved.

Wake up gentlemen we have a beautiful post which can be used for many happy occasions. Many other posts in the state are envious of us, so why are we wasting our assets.

Start by coming to the meeting once again. Reacquaint yourself with the post. Should you have any questions where to start or have additional ideas please contact me at 910-793-6551 or e-mail [symins@ec.rr.com](mailto:symins@ec.rr.com).

## Auxiliary News

Special thanks to Ed Wallace, Joe Malik, George Cameron, Arthur Moore, James Clifton, Matt and Diana Symins, Lotty Herring, Kathy Lewis, Rose Knoche, Susan, Harry and Harry Parham Jr. for remembering our deceased veterans by placing 800 flags at Greenlawn Cemetery. This is how we say Happy Birthday America.

This project has been going on for years on Independence Day. We are in need of more flags and will be working to purchase 3000. This will require more volunteers. If you would like to take part let me know.

A certificate of appreciation was presented to Bob Bausch in recognition of his dedication, interest, support and love for the POPPY PROGRAM. Bob makes the poppies for the Department of North Carolina. The funds he receives for his work he returns to the Forty and Eight Nurses Scholarship program. He also volunteers to distribute the poppies on Memorial Day weekend. This year he received almost \$600.00 at Harris Teeters.

Congratulations to all who continue to contribute so many hours to our programs. Let us pledge to do more this new auxiliary year.

Our next regular meeting will be September 11, 2006 at 7:00 PM at Post 10 and we more than welcome new members to join a working Auxiliary Unit.

**Thank you for giving!  
Susie Woodle, President**

## **Chaplains Corner:**

Good day Legionaries. It saddens me to report that we have three fellow legionaries currently in the hospital, James Britt, Robert Corbett and Charles Smith. It would be appreciated if you kept these folks in mind and also in your prayers. The post also has one good friend of the legion Payton Warren also being hospitalized. Payton attends all of the American Legion ball games and volunteers his help has under gone surgery.

I am new at being the Post Chaplain and would like to ask every ones help by passing on to me the names of any legionaries who have become ill, hospitalized or passed on so I can offer the respect due them on behalf of Post 10. I can be reached at my home number 910-796-3462 or via e-mail at [Flyboy8336@aol.com](mailto:Flyboy8336@aol.com).

May Almighty God keep us ever free and prosperous. Through him may liberty triumph over the earth from the rising to the setting sun. Keep us mindful that religion and morality alone can give life to liberty and preserve it. Remember our young men and women serving in peace and war time. Also keep in our hearts and minds the POW's and MIA's – YOU ARE NOT FORGOTTEN.
