JULY 2009

Starting today, June 29, we are finally getting new air conditioning in the canteen. Webb Heating and Air, was the best bidder and they started this morning. Estimated completion is June 30th. We apologize for any inconvenience this may have caused and hope to see you all return to a new cool canteen.

I talked to Wayne Brown last Tuesday, his spirits are way up and he hopes to be out of the hospital and into a care facility around July 8. He has a long way to go and a lot of rehab in the future. Will inform all when he is moved.

The Legion Convention was interesting. 4 men and 2 women attended, it was a small turn out, hope next year will be better.

The Legion Color Guard is becoming well known. We had one on the 27 at a church in Farmington, we have one on the 2nd at Ernie Shore Field, one on July 4th at Music on Trade St. and one at a church in Kernersville on the 5th. Ernie Shore starts at 1900, and on the 4th at 1900. Come out and join us.

We have a great web site: Check it out at nclegion.org/post55.htm
